EXPERIENCE

Operations Specialist | Dept. of Recreational Sports, Texas A&M

Jan. 2026 – Present (Promoted from Operations Associate, May 2026)

- Promoted for strong policy knowledge and trusted to resolve complex member issues requiring advanced facility policy expertise.
- Enforced university operating policies across a 373,000-square-foot recreation facility, identifying procedural issues and ensuring compliance with safety and operational standards.
- Process and record high-volume membership and transaction data using Innosoft Fusion, maintaining data integrity and timely resolution of discrepancies.

Operations Team Specialist | Texas A&M Formula SAE Electric

Apr. 2026 – Present

- Document operating procedures and identify process improvements for transportation, equipment management, and competition logistics.
- Conduct walkthroughs of transportation, equipment handling, and event operations to identify and mitigate logistical and procedural risk.
- Communicate findings and control gaps to cross-functional team leads, driving standardized workflows that reduced inefficiencies and failure points.

Founder & CEO | Tuition Lawn Care

May 2025 – Aug. 2025

- Reviewed scheduling and billing workflows using NIST CSF concepts to improve data organization, account security, and access management.
- Built financial tracking and forecasting models in Excel to monitor revenue, expenses, and scheduling efficiency, enabling data-driven decisions.
- Interacted directly with clients in a professional, confident manner, managing task delegation, quality control, and client satisfaction.

LEADERSHIP & INVOLVEMENT

IT Committee Member | Association of Information Technology Professionals, Texas A&M

Jan. 2025 – Present

- Leading a team to design and build a Tableau career outcomes dashboard that matches MIS student profiles to industry data, to be deployed on the Association of Information Technology Professionals' public website.

Mentor | Future Business Leaders of America, Texas A&M

Aug. 2025 – Present

- Expanded active membership from 50 to 110 students through targeted recruitment; mentored incoming pledge class on professional and personal development.

HONORS

- 3rd Place — Council of Management Information Systems (CMIS) Case Competition, Texas A&M University (Apr. 2026)
- Eagle Scout — Boy Scouts of America (Apr. 2020)
