College Station, Texas

May 2028

EXPERIENCE

Operations Team Specialist | *Texas A&M Formula SAE Electric* College Station, TX | Apr. 2025 – Present

- Oversee operational risk and safety compliance for a 100+ member engineering organization, ensuring adherence to university regulations and event protocols.
- Identify and mitigate logistical and procedural risks across transportation, equipment handling, and event operations.
- Manage a cross-functional team to standardize and streamline engineering workflows, reducing operational inefficiencies and failure points.
- Monitor and track incoming inventory and parts delivery, ensuring supply chain accuracy and timely fulfillment of mission-critical components.

Operations Associate | *Dept. of Recreational Sports, Texas A&M* College Station, TX | Jan. 2026 – Present

- Process and record high-volume membership and transaction data using Innosoft Fusion, maintaining accuracy across a 373,000 sq ft. facility and 50-acre complex.
- Enforce facility policies and manage entry control for a large-scale recreational environment, ensuring regulatory compliance and member safety.

Founder & CEO | *Tuition Lawn Care*

San Antonio, TX | May 2025 – Aug. 2025

- Built financial tracking and forecasting models in Excel to monitor revenue, operating expenses, and scheduling efficiency, enabling data-driven business decisions.
- Identified and resolved data quality issues in scheduling and billing systems to improve operational accuracy and reduce errors.
- Directed a crew of employees, managing task delegation, quality control, and client satisfaction across all service engagements.

LEADERSHIP & INVOLVEMENT

IT Committee Member | *AITP, Texas A&M*

College Station, TX | Jan. 2025 – Present

- Leading a team to design and build a Tableau career outcomes dashboard matching MIS student profiles to industry data, to be deployed on the Association of Information Technology Professionals public website.

Mentor | *Future Business Leaders of America, Texas A&M*

College Station, TX | Aug. 2025 – Present

- Expanded active membership from 50 to 110 students through targeted recruitment; mentored incoming pledge class on professional and personal development.
